THE NATIONAL GAME.

Return Base Ball Match at Brooklyn

between the Atlantics and Athletics
Renewed Victory of the Former
Club. [From the New York Tribune, Nov. 7th.] The second of the series of match gan was played yesterday afternoon at the Capitoline Ball Grounds, Brooklyn, in the presence of from 15,000 to 18,000 spectators. The sides composed the same mem-bers that played in Philadelphia a week go, in which encounter the Atlantic These games have created more excitement in the base-ball world thus any preous contests this season, and as this expected to be the last great match of the year, it accounts for the large number of visitors. Fewer lady patrons were present than usual in a contest of this importance. Notwithstanding a fierce, keen, bracing wind prevailed, the large contesting wind prevailed, the large number of the course did not murmur, or even seem t did not in the least affect the play or the

ment societies in this state. Adm ble arrangements were made for the mfort of the large crowd congregated. mergency, but their services were not fired, so orderly and impartially did this hare mass of humanity conduct memselves. The applause and admiration at the different displays of the game were equally divided. After humaning around the crowd for Mr. J. Grum, he was at ength ferretted out to act as umpire, and importantly did he discharge. When will our political leaders learn that the translation of the State peace. Therefore we would say to the merchant who wishes to open trade with this region; to the capitalist who wishes to send his money there; to the emigrant who wishes to find a home this hage mass of humanity conduct themour intelligent people can be trusted with the emigrant who wishes to find a home the duties of this important office.

The Atlantics took the first inning, and the truth? When will public journalists begin by assuring justice to all men. This is the one essential condition

The Atlantics wook the first inning, and led off with some of the fallost beatless, soring 9 rams for the first inning. The Atlantics may be a sort in loyal, and cheerfully resident to the coilculation of the coilculation of the high fallows and the properties of the atlantics were 23 to 13; but in the following two innings the common the with inning the accordance of the following two innings the common the within inning the Atlantics were 23 to 13; but in the following two innings the common the within inning the Atlantics were 23 to 13; but in the following two innings the Philadelphians redeamed the market become whith, and the some whith, and the some whith and the properties of the following two innings the Philadelphians redeamed the market become whith, and the some whith and the some whith and the properties of the prop members of the fraternity generally in a harmonious manner. Thus ended one of the st contested and post interesting matches sands of lives in the cholera summer of

of the year, being a most happy wind-up SCORE. - ATHLETIC 1NNINGS. 1st 2d 3d 4th 5th 0th 7th 8th 9th Total

Syracuse, the home of General Slocum, gave Barlow 150 majority, a Union gain

A dispatch from Provisional Governo Johnson of Georgia to the President of

the United States, which is printed in our telegraphic columns this morning, au-nounces that the Georgia Reconstruction, CLEVELAND LEADER COMPANY. Convention had repudiated the State rebel war debt by a vote of 133 to 117. If any body can see in this action any cause for pular distrust. Go to any monarchist belief that Georgia is returning to the Union in a proper spirit, we certainly canhet agree with them. The very fact thatin the face of the President's emphatic and reiterated declaration that the rebel war annage their affairs themselves." Every debt must be repudiated, and their own knowledge that its repudiation would be struct of the masses' intelligence, wisdom insisted on as a condition precedent of admission to the Union-the motion to repudiate it passed by only sixteen majority Popular governments, on the contrary, in a vote of 250, is a priori evidence that re based on popular confidence. All the feeling in Georgia on this question is by no means such as the North desires and demands. The fact is-it was shown in the debates of the Convention-that ninety men in a hundred of that body favor the assumption of the

Our government has been for three chief argument used in favor of repudiatrebel State debt, and that the ing it was that by this step they could gain readmission to power, and then by legislative enactment, could reassume the debt. This argument was not used in secret caucuses, but, with a sublime fatuity which seems almost incredible, and is certainly incomprehensible, was used openly and defiantly on the floor. It says in effect "Well, Mr. Johnson, as you insist upon it, we will repudiate this debt to regain looked by the close observer of events. Power, but as soon as we have got the power we will use it to break our faith with you, and reassume this whole debt. And this argument was the moving motive which influenced the small conjority in the Georgia Convention to repudiate the rebel debt. Can any candid man regard such repudiation as genuine, or as indicating the proper spirit on the part of the return-

WIRZ TO BE HUNG!

ane Man Murders His Wife and One of the most terrible tragedies that we were ever called upon to narrate occur-red in this city at half-past nine o'clock last night, at the residence of B. W. Groens, late President of the Connecticut Fire Insurance Company. Mr. Greene having caused the death of his wife by cutthroat with a razor, then attemptod his own life. The facts as brought out

coe's cell, which is opposite the one occu-pied by him, and called out to him, "Genral, I am to be hung."

Before the officers retired, Wirz ex-

ice. In a short time Father Boyd.

He now devotes himself to reading religious works, but does not spend his time reading books as formerly. His right arm, which was wounded during the year 1863, having become sore, so that it is with difficulty he can use it. His wife is now in Georgia, having left here some weeks since

Pennsylvania Rivais California—Al-leged Discovery of Gold in the Dun-and their American friends, at the Claren

kard Oil Region of Pennsylvania. A correspondent of the Pittsburgh Com- all sat down to lunch, over which the reial of Tuesday communicates to that had a parting chit-chat, in which it tra paper some startling information in regard to alleged discoveries of a valuable gold quartz vein in Greene county, Pennsylvania. It would seem from his statethe carrowss; and yet, in the very districts when they should have fallen off, our majorities were greatly increased, thus showing that the citizens of Ohio might have been trusted with the question of Equal Rights, precisely as they could be trusted with the truth in regard to the disasters of the war.

evening perore the reachers restricted as instinctive as self-defense. If the country fails to do justice now, it will commit a crime, where guilt and meanness will strive for mastery. On this head it is enough to say that it is a debt we own to our saviours and benefactors. But here all the instincts of self-defense harmonize with justice. For the sake of the war.

evening perore the reachers restricted as Citizens' Hall.

Col. E. L. Webber has bought the property on Chestnut street, north of J.M. Bissell, consisting of house, &c., with four acres of land. Price \$3,500.

J. S. Brigham has sold his house and lot own to our saviours and benefactors. But here all the instincts of self-defense harmonize with justice. For the sake of the war. J. S. Brigham has sold his house and lot on Spruce street to Wm. A. Holcomb, of Rootstown. Price \$1,800.

D. B. Reed & Co., Rootstown, have sold

Substance was universally believed to be yellow pyrites, or sulphuret of copper and iron. It is claimed by Robert Maple and lapped of each English gentleman, and Captain Hazlett that in the sinking of the Wylie and Glyde oil wells they discovered heart of each, they set sail for their native this substance, and they satisfied them-selves it was gold, but fear of ridicule if it pleasant memories of their American tour. selves it was gold, but fear of ridicale if it should prove not to be gold prevented them from making the discovery public. The discovery of the vein, some three feet thick, in the Keener Well, at seven lundred feet deep, was made known by the Superintendent of the Amber Oil Companay, of Philadelphia, who own the lease of the Keener Farm, comprising seventy acres. Mr. F. W. Corinth, one of the Directors of the Company paid a vigit to the rectors of the Company, paid a visit to the well, and secured different specimens of quartz, with which he returned to Philadelphia, in order to have them scientifical-

Lyman Darling, of Elyria, on the 30th inst., while slitting lumber, in John V. Coon's saw-mill, with a circular saw, slipped and fell, throwing his left hand under or against the saw while in motion, which instantly cut off his fingers.

The Richmond Whig doubts the story that General Lee has made arrangements.

It is said that the little song, "Wein, Weiber und Gesang, which Mr. Jefferson and one-quarter karats fine, the rusult of an assay made by the Assayer at the Philadelphia Mint. Mr. Corinth had some difficulty in persuading the officers of the mous "Dr. Lather quoted at length in the difficulty in persuading the officers of the white difficulty in persuading the officers of the by the author of that book. that General Lee has made arrangements with a publisher of New York to issue his history of the rebellion. It says we were

trolling force a debt of gratitude to the brave men he had commanded and an obligation to the truth of history. It may be, therefore, reasonably supposed that General Lee will avail himself of the retirement and favoring circumstances afforded by his present position to prepare a history of his campaigns and of the achievements of the renowned Army of Northern Virginia." least the Superintendent of the oil well,

A little girl, showing her little cousi about four years old a star, said: "That star you see up there is bigge
